Back Inn Café is proud to serve you the freshest, local, in-season products and produce whenever possible. Our bread is baked fresh daily right next door at Bluff View Bakery, Chattanooga's oldest artisanal bakery. Much of our produce is grown locally, including an abundance which is sourced from Bluff View Garden and other local farms. The culinary team prepares each menu item from scratch, including infusing herbs and other unique ingredients to create signature sauces and dishes for our guests to experience.
